

Rosenheim, October 21th 2010

Ramp-Down Period 2010

Dear Customers,

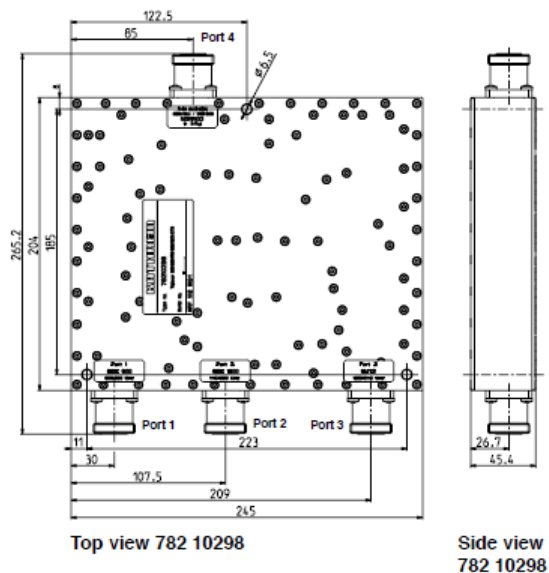

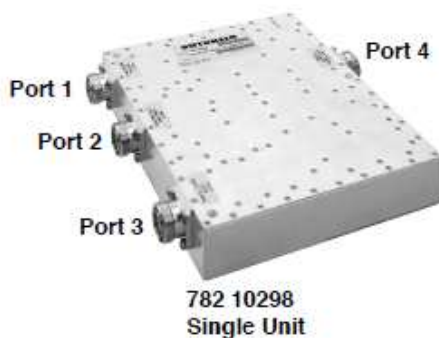

The Triple-Band Combiner 782 10298 will be removed from the catalogue 2011. Please be informed that it is in Ramp-Down since 1st of October 2010.

The last order date for 782 10298 will be the 30th of June 2011. Prices for this product remain unchanged until this date.

A possible replacement for the unit is the standard Triple-Band Combiner 782 10630.

Triple-Band Combiner

806 – 960 MHz CDMA 800 / GSM 900	1710 – 1880 MHz GSM 1800	1920 – 2170 MHz UMTS
